

Effective Date: May 6, 2021

These terms were last revised as of the effective date set forth above. Outbrain reserves the right to change these terms from time to time.

Amplify Terms and Conditions

These Amplify Terms and Conditions ("**Terms**") are entered into by Outbrain UK Limited ("**Outbrain**") and the entity executing an Insertion Order or using the Outbrain dashboard ("**Customer**"). These Terms govern Customer's use of the Outbrain service, and together with an Insertion Order (or the information entered through the Outbrain dashboard ("**Dashboard**") comprise the "**Agreement**" between Outbrain and Customer. If there is any inconsistency between: (i) the terms of a signed Insertion Order or those entered through the Dashboard (either "**Campaign Details**") and (ii) these Terms, the Campaign Details as applicable, shall prevail.

1. Services

1.1 Outbrain partners with a network of online properties (the "**Network**") and displays a user interface containing links that navigate to websites (the "**Service**"). Outbrain uses its proprietary algorithms to determine what links appear within the Service on the Network.

1.2 Outbrain shall display links to graphical, textual, video and/or auditory content selected by Customer (the links and the content accessed from the link together are the "**Content**") on the Network through the Service. Outbrain shall continue to distribute the Content on the Network until the earlier of: (i) the end date of Customer's campaign, (ii) reaching Customer's budget, or (iii) the disabling of a campaign (provided that Outbrain reserves the right to charge for additional Actions as the Content is removed from circulation – see [FAQs](#) for more details).

If Fees (as defined in Section 5) do not reach Customer's budget, Customer's sole remedies shall be to: (i) extend the end date of the applicable campaign; (ii) replace or add to the Content with other Content (also subject to Section 2 below) to complete the campaign; or (iii) to pay only for accrued Fees on the Content. In no event shall Outbrain be liable for failure to deliver traffic to Content.

1.4 Outbrain will make reports available to the Customer, which provide information about the number of clicks received during the campaign. The final monthly reports (which may differ from the daily reports) will provide the conclusive basis for Outbrain's calculation of the fees owed by Customer. Customer may submit its own Outbrain-compatible click tracker. If there is a 10% discrepancy or more between Customer's numbers (based on the Outbrain-compatible click tracker) and Outbrain's numbers then the parties agree to work in good faith to identify the correct amount to be paid to Outbrain. If the discrepancy is less than 10%, Outbrain's numbers shall be conclusive.

In addition, Content selected by Customer must comply with Outbrain's [Advertising Guidelines](#), as may be updated from time to time by Outbrain. Outbrain may at any time (at its sole discretion) reject or remove Content. Customer acknowledges that Outbrain is not responsible for the Content and that the Content may change during the course of a campaign due to revisions by the Content's author, comments from readers, or otherwise. Customer's recourse in the event of such change shall be to direct Outbrain to remove such Content from its then-current campaign and/or select other Content. Customer further acknowledges that, if there is an objection to the from a Content (whether from the Content author or publisher, or otherwise) Outbrain will act in

Further, each piece of Customer Content shall neither (a) redirect to a destination other than as originally submitted to the Service, and/or (b) be substantively different from the Content originally submitted to the Service.

2.4 Both parties shall implement anti-malware scanning processes of the Content. Upon notice, both parties shall take immediate action to remove any suspicious Content from the Network.
